

REMARKS

This Preliminary Amendment is filed in order to facilitate processing of the above identified application. In particular, nothing in the prior art shows, teaches or suggests the invention as now claimed. Therefore, Applicants respectfully request the Examiner withdraws the rejection to claims 1, 5, 9, 11 and 26-29 and allows the claims to issue.

Thus, it now appears that the application is in condition for a reconsideration and allowance. Reconsideration and allowance at an early date are respectfully requested.

CONCLUSION

If for any reason the Examiner feels that the application is not now in condition for allowance, the Examiner is requested to contact, by telephone, the Applicant's undersigned attorney at the indicated telephone number to arrange for an interview to expedite the disposition of this case.

In the event that this paper is not timely filed within the currently set shortened statutory period, Applicant respectfully petitions for an appropriate extension of time. The fees for such extension of time may be charged to Deposit Account No. 50-0320.

In the event that any additional fees are due with this paper, please charge to our Deposit Account No. 50-0320.
